Tree shears are an ideal attachment suited to meet the demands of lot clearing contractors, foresters or anyone with high volume shearing needs and simple to operate. We strive to manufacture an attachment that is dependable with long lasting wear. When you're shearing trees in a commercial operation you need strength, speed & reliability. They feature large accumulating pockets designed to cut one large tree or accumulate several smaller trees. The knives are adjustable and made out of AR400 steel.

12" Shear

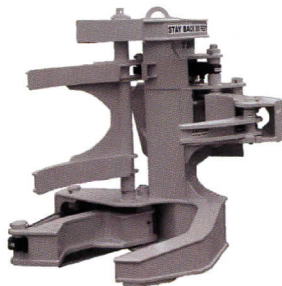

14" Shear

15" Shear
