

## KEY FEATURES

### STUMP GRINDER

The Predator Stump Grinder, manufactured by Ryan's, is designed for high flow, high horsepower skid steers. It is built for demanding high production use and features a heavy duty bulldozer style push blade, simple hydraulics, and allows the operator to grind in the comfort and safety of their cab.

An optional chip curtain constricts the flying debris. This means less clean up time and it protects the surroundings! The curtains can be folded back for transport.

### SPECIFICATIONS
